

# Calling Consultants!

## Join OSPT Alliance

In the age of Mobility as a Service (MaaS), consultants play an increasingly important role in helping PTAs and PTOs understand:

- *New AFC technologies & systems*
- *Industry standards & certification processes*
- *Market trends & local consumer needs*
- *How to safeguard investment in new systems*

**OSPT Alliance is committed to supporting these stakeholders...**

providing consultants with the tools to best advise customers on CIPURSE™ and the benefits of open standards.
